POINTS ON KITCHEN ECONOMY

Little Suggestion That Will Be Found of Value in Every Home.

Wash a potato, wipe dry and put it in your breadpan. It will keep the bread fresh for days.

If eggs you are about to boil are cracked, add a little vinegar to the water, and they can be boiled as satisfactorily as undamaged ones.

Take great care of the milk; unless you have a very cool place to keep it, boil it as soon as it arrives. Keep it covered with a clean muslin cloth.

Tomatoes should always be skinned before being used for salad. To do this easily, place the fruit in a basin and pour boiling water over it. Let stand a minute, and then drain. You will find that the skin can then be removed without the slightest trouble.

Remember beef loses only three ounces to the pound in baking, four ounces in boiling, and five ounces in roasting. Thus roasted meat should be avoided when butchers' prices are high.

If the boiler immediately after use, and while still warm, is rubbed all over with any good household soap it will prevent rust, and will help to make the suds when the boiler is filled for the next washing day.

To clean a black dress take a dozen ivy leaves and steep them in boiling water. Leave till cold, then rub well over the stained parts. This liquid will remove all stains and make the cloth look almost as fresh as when new.

Don't throw bones that have been boiled for soup into the dustbin. Put them at the back of the fire, bank up with well-dumped small coal and they will burn for hours.

Mincing machines are not easy to take to pieces for the purpose of cleaning, as there is much difficulty in properly replacing the parts. The best plan, and one which leaves the machine quite dry, is to take a piece of very stale bread, or, if this is not obtainable, a piece of toast, and grind it through. This will be found to collect all the grease, fat and skin which adheres to the knives. Repeat until the crumbs come out quite clean and dry, and then carefully wipe the machine with a clean, dry cloth.

KITCHEN MAY BE ATTRACTIVE

Simple Decorative Schemes Add to the Comfort of the Cook, Whether Housewife or Servant.

So many people are in the habit of regarding the kitchen as a necessary evil that the idea of applying any decorative treatment to it and making it a really attractive place never seems to occur to them. The cook, whether she be the housewife or a domestic, has to spend most of her time there, and if for no other purpose than to make her comfortable and happy—in incidentally thereby a better servant—the place should be made as agreeable to the eye as possible. The designers of really well-planned houses now take account of this consideration and adopt simple but well-recognized decorative schemes. We have something yet to learn in this respect from old Dutch and German kitchens and also from the kitchen of old New England farmhouses.—Dallas News.

Raisin Cookies.
Cream half cupful sugar with quarter cupful butter. Add one egg and cream again. Then add quarter cup sweet milk, half teaspoonful vanilla extract and one cupful flour sifted with one and a half teaspoonfuls baking powder and a pinch of salt. Add more sifted flour to make a soft dough and roll out thin on a floured board. Cut into rounds with a cookie cutter. Spread a layer of chopped raisins between two cookies, press the filled cookies lightly with the rolling pin, and bake in greased pans in a hot oven until nicely browned.

Apricot Roll.
Sift 1 pint of flour with 3 teaspoons baking powder, a little salt and 1 tablespoon sugar. Mix 2 tablespoons each of butter and any shortening and about ¾ cup of milk to make a soft dough. Roll out lightly and spread with a cup of apricots (or any dried fruit) which have been cleaned and stewed. Roll up and place in baking tin, with half a cup of juice drained from the fruit and baste with this during the cooking. Serve hot with sweet liquid sauce.

Tomato Rabbit.
Put into a saucepan a piece of butter the size of an egg; melt it and add to it two or three tomatoes cut up fine. Stir until they are heated through. Take off the stove, add 2 tablespoons of grated cheese, pepper and salt and the yolk of 1 egg well beaten. Stir for a minute or two over the fire and serve on hot buttered toast.

When Cream is Too Thin.
When cream is too thin to whip add the unbeaten white of an egg.

Something Bury.
"Nothing ever works in that house."
"Oh, yes; the preserves do."—Baltimore American.

Don't Neglect Kidneys

Swamp-Root, Dr. Kilmer's Prescription, Overcomes Kidney Trouble

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

The kidneys should receive some assistance when needed. We take less exercise, drink less water and often eat more rich, heavy food, thereby forcing the kidneys to do more work than nature intended. Evidence of kidney trouble, such as lame back, annoying bladder troubles, smarting or burning, brick-dust or sediment, sallow complexion, rheumatism, maybe weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root. There is nothing else like it. It is Dr. Kilmer's prescription used in private practice and it is sure to benefit you. Get a bottle from your druggist.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper. Adv.

It's the little things that count. Daily care—no detail neglected, makes the success you covet.

YOUNG WOMEN MAY AVOID PAIN

Need Only Trust to Lydia E. Pinkham's Vegetable Compound, says Mrs. Kurtzweg.

Buffalo, N.Y.—"My daughter, whose picture is herewith, was much troubled with pains in her back and sides every month and they would sometimes be so bad that it would seem like acute inflammation of some organ. She read your advertisement in the newspapers and tried Lydia E. Pinkham's Vegetable Compound.

She praises it highly as she has been relieved of all these pains by its use. All mothers should know of this remedy, and all young girls who suffer should try it."—Mrs. MATILDA KURTZWEG, 529 High St., Buffalo, N. Y.

Young women who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

If you know of any young woman who is sick and needs help, advise her to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass. Only women will receive her letter, and it will be held in strictest confidence.
